

Introducing the ODOR 'GOZAWAY' TANK MIX for use with CIRKIL CX

- Terramera's ODOR 'GOZAWAY' TANK MIX will help bring down the natural scent associated with CIRKIL CX.
- One tank mix package will serve ½ to 1 gallon of emulsified CIRKIL CX.
- After emulsifying CIRKIL CX with water, carefully open the tank mix package and transfer the powder directly into the tank of emulsified CIRKIL CX.
- Shake the tank for 5 to 10 seconds.
- Agitate periodically while making applications.
- Compatible with most compressed air sprayers.
- Apply CIRKIL CX as directed on label.
- ODAZAP Pro is a premixed odor neutralizer and can be used together with the ODOR 'GOZAWAY' TANK MIX. Use ODAZAP Pro to help reduce the odor one after treatment. Continuing using the spray daily until odor no longer persists.
