

# WHAT'S THAT SMELL?

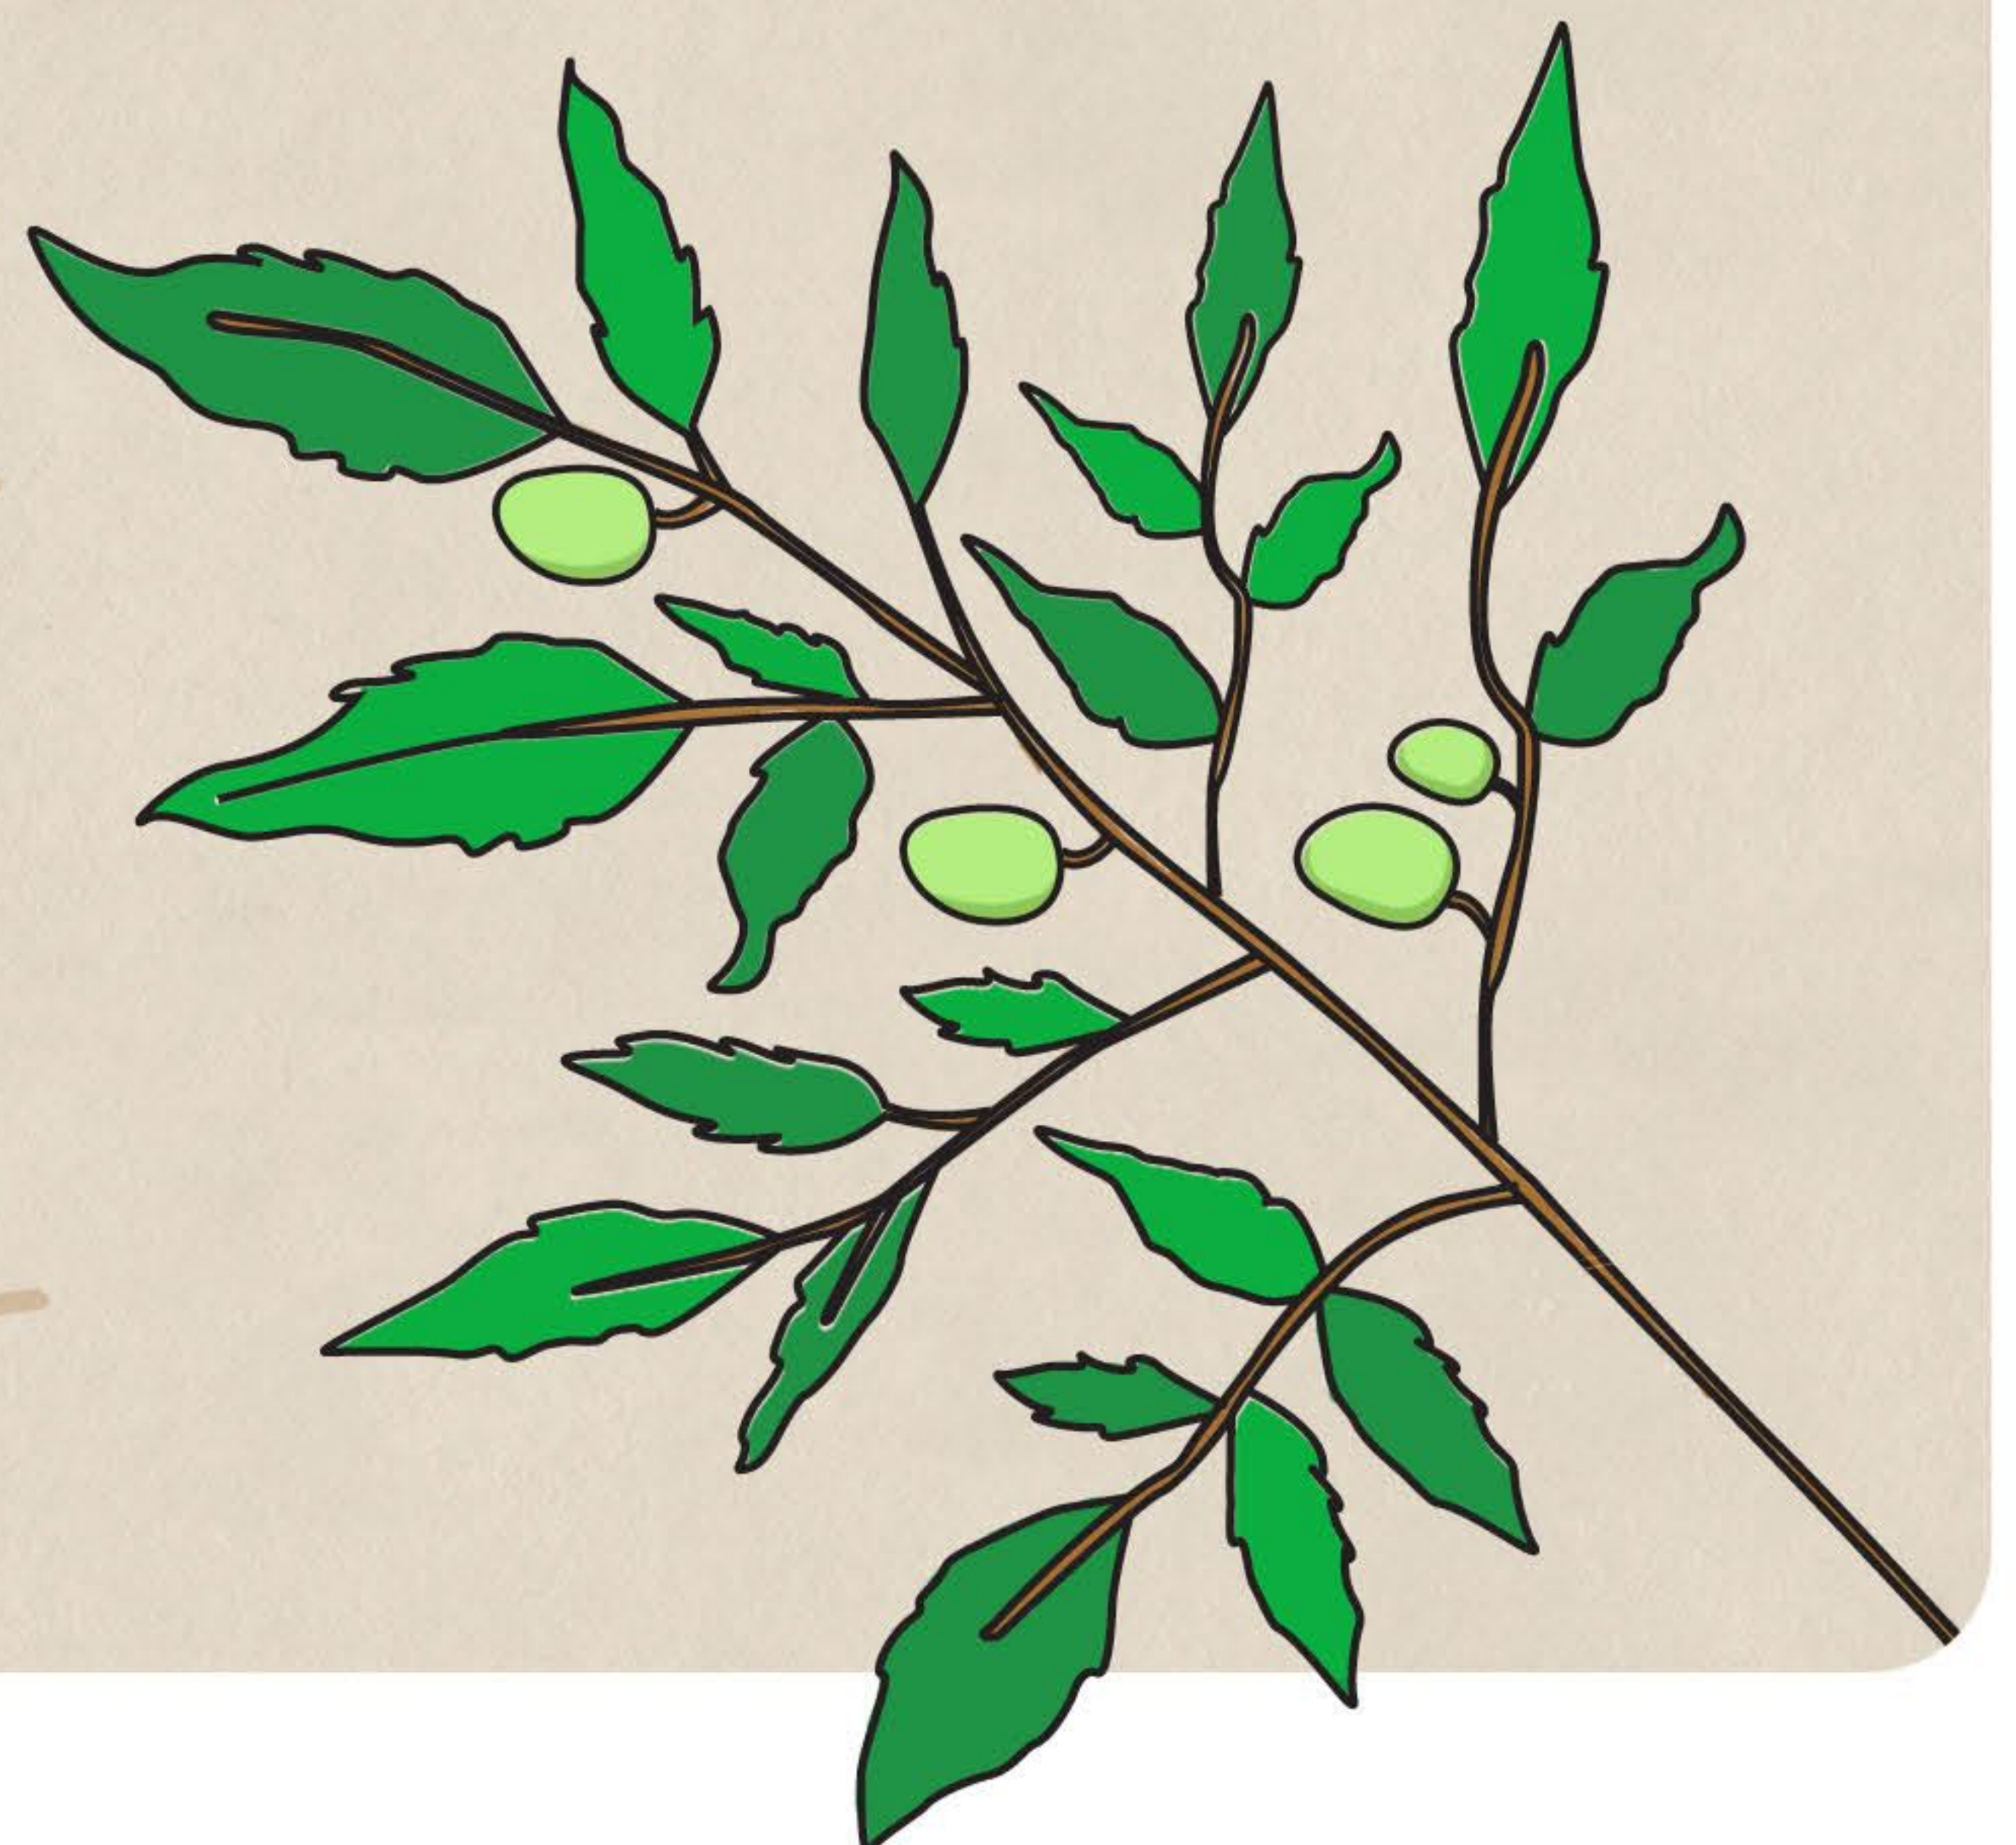

## THE "ODOR" YOU ARE SMELLING IS CIRKIL® LINE OF BIOPESTICIDE PRODUCTS

AND APPROVED BY THE U.S. ENVIRONMENTAL PROTECTION AGENCY  
FOR THE CONTROL OF BED BUGS, THEIR EGGS AND SPIDERS.

The active ingredient in CIRKIL® is pure cold-pressed neem oil extracted from seeds of the Neem tree, a tropical evergreen tree native to India. Neem oil is not toxic; humans have used it in cosmetic and medicinal products for hundreds of years.

The EPA has determined that cold-pressed neem seed oil presents no toxicological, ecological, or environmental concern.

AS THE PRODUCT NATURALLY  
DEGRADES - SO WILL THE ODOR!
